

Ruling of a women making hijrah without a mahram?

Scholars on Hijrah Shaykh Saalih al Fawzaan ,may preserve him, was asked regarding the ruling of a women making hijrah without a mahram?

A: Yes, this matter has been made an exception from that which requires her to have a mahram. It is permissible for her to travel for the purpose of hijrah without a mahram ,as the women in the time of prophet made hijrah from Makkah , due to it being an issue of Daroorah and also there is proofs for it and anything besides it (the affair of hijrah) requires a mahram.

Also this is the opinion of Shaykh Muqbil , may have mercy upon him.
